

Güntner Products

Unit Series

Evaporators

Air Coolers

Condensers

Drycoolers

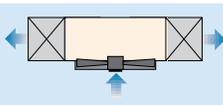

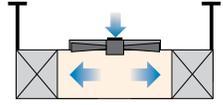

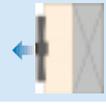

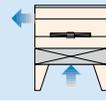

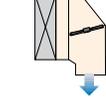

Hybrids

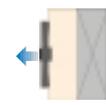

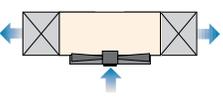

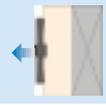

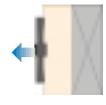

Controls

Industrial Evaporator / Air Cooler Series

Product	Capacity*	Direction of air flow	Designation	HFC	NH ₃	CO ₂	Glycol / Brine
	1 - 17 Tons		Dual coil evaporator	MDN	MDAN		MDGN
	2 - 12 Tons		Dual coil evaporator	MBK	AGBK		MGBK
	1 - 50 Tons		Ceiling hung unit cooler	GHN	AGHN	CPGHN	GGHN
	5 - 50 Tons		Ceiling hung unit cooler (galvanized steel)		GHK		GHK
	8 - 24 Tons		Process room cooler	GBF	AGBF		GGBF
	12 - 106 Tons		Product cooler	MANP	MANP	MPNP	MGNP

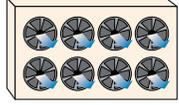

Commercial Evaporator / Air Cooler Series

Product	Capacity*	Direction of air flow	Designation	HFC	CO ₂	Glycol / Brine
	0.5 - 3 Tons		Reach In cooler	C_C	CXGDF	
	0.5 - 3 Tons		Low Profile unit cooler	G_L	G_L	G_GL
	0.5 - 15 Tons		Ceiling hung unit cooler	MHF	GPHF	MGF
	1 - 3 Tons		Dual discharge unit cooler	C_D	C_D	C_GD
	1 - 6 Tons		Medium profile unit cooler	C_M	C_M	C_GM
	2 - 15 Tons		High profile unit cooler	C_H	C_H	

* Depending on selected refrigerant

XXX Unit deliverable upon request

Condenser / Drycooler Series

Product	Capacity*	Direction of air flow	Designation	HFC	NH ₃	Brine
	2 - 390 Tons		Air cooled condenser	GVH	AGVH	GFH
	2 - 390 Tons		Air cooled condenser (vertical)	GVV	AGVV	GFV
	10 - 200 Tons		Condensers/Drycoolers (W-shape)	GVW	AGVW	GFW
	70 - 350 Tons		Condensers/Drycoolers (V-shape)	GVD	AGVD	GFD
	90 - 400 Tons		Adiabatic air cooler and condenser	ADC	ADC	ADC
	120 - 600 Tons		Hybrid air cooler and condenser	HTK	HTK	HTK

* Depending on selected refrigerant

XXX

Unit deliverable upon request

CO₂ gas coolers available for all models upon request

Global Presence

Güntner Group

Being your partner, we are committed to offering you global support. You will find us in all major trade centers in the Americas, Europe and Asia. We speak the language of your market and understand your local requirements and regulations.

Güntner is a leading provider of heat exchange products for the following industry segments:

- Industrial Refrigeration
- Commercial Refrigeration
- Air Conditioning
- Energy & Process Cooling

Errors excepted. Subject to technical amendments without prior notice.
